## Agility Services

### Logistics

Agility offers customized solutions to meet your complex logistics needs across the globe and within New Zealand. As a major global logistics service provider in New Zealand, we deliver national coverage from our logistics hubs in Auckland, Christchurch, Dunedin and Wellington. We offer in-house customs brokerage services and our warehouses are equipped with advanced WMS technology.

### Air Freight

Our Air Freight service allows you to achieve an optimal balance between time, space, frequency and cost. Our partnerships with premier air carriers ensure space allocation and on-time performance. We provide airline performance management including primary and backup solutions. Our major Air Freight hubs are Auckland and Christchurch.

### Ocean Freight

As one of the leading Ocean Freight forwarders in New Zealand, Agility partners with the world's premier ocean carriers to ensure you get the space, sailings and reliable transit times. Agility's range of FCL and LCL ocean services provide complete flexibility and cost-effective options to suit your needs. Our main gateway in Auckland connects with all other major ports including those in Tauranga, Wellington, Christchurch and Dunedin.

### Road Freight

Agility offers an efficient road transport service throughout New Zealand that's provided in conjunction with trusted local partners. We can pick up and deliver FCL, LCL and air freight to or from any part of the country.

### Specialties

Agility Fairs & Events offers logistics services for fairs and events in New Zealand and around the world. Our experts work closely with trade fair organizers, show promoters and exhibitors to help them deliver to multiple venue stops and meet tight shipping schedules. Agility is one of the leading Project Logistics specialists in New Zealand. We provide complete project logistics services for large-scale, heavy-lift projects.
